## Education Fund

In negotiating the new Health collective agreement for 2013-2015, we were successful in obtaining more educational dollars for our membership. With these new monies, we are now able to offer our members a maximum of \$900.00 per year/per member towards education, as well as up to 15 hours of wage replacement costs. This improvement will be effective April 1, 2014. Please note that funding is provided on a first-come, first-serve basis. Education forms can be downloaded on our website at [www.iuoe942.com](http://www.iuoe942.com) or from any of the executive board members.

## Discount List 2013-2014

We are pleased to offer our members new and updated discount opportunities.

Our executive board members will be handing out new discount sheets which give members information on how to obtain a rewards card from Murphy's Pharmacies with special IUOE offers.

You will also be receiving a new discount card for Mark's Work Warehouse. To obtain discounts from Mark's, you must follow the instructions that will be included with your card. You must present your special Mark's card, your IUOE Membership Card and you may need to present your driver's licence for any discounts on purchases by and for members ONLY.

We were in the process of negotiating a discount program for Lawton's Drugs. Unfortunately, due to a potential exposure to liability claims, the Executive Board opted not to join.

Board Members will also be handing out your new IUOE Membership cards. If you do not receive one, please contact your Unit Representative or the Union Office.

The newly updated discount list can be found on our website. Please refer to it for the complete list of discounts available.
