## **Ratification of the Health PEI Collective Agreement**

TO: ALL MEMBERS OF THE INTERNATIONAL UNION OF OPERATING ENGINEERS LOCAL 942 EMPLOYED BY HEALTH PEI

FROM: IUOE LOCAL 942 NEGOTIATING COMMITTEE

DATE: JULY 24, 2019

---

The vote was held on Tuesday, July 23, 2019. The membership voted in favor of the agreement. As is customary, the actual vote count will not be made public in order to prevent any results from being used against us in future negotiations.

We will be notifying the Employer today. The final document still needs to be reviewed. The new contract will take effect as soon as it is signed by the Parties.

We will let the membership know when the retro will be included in their regular pay and the new pay grid is implemented.

Please note that any retro is subject to regular deductions including dues. Retro is also payable to IUOE casuals and retirees who worked with Health PEI since April 1, 2018.
