The new contracts have been printed and given to Unit Reps for distribution. Members who still do not have a physical copy, must get in contact with their respective Rep. A complete up-to-date list of all Reps is available on the website when hovering over "Contact Us" and then clicking on "Executive Board".

Membership Cards

IUOE Membership cards have been given to the Unit Reps for distribution. Any members who have not received a card, please send the Union office an email at iuoe942@pei.sympatico.ca and include your full name, worksite, and current status (perm, temp, casual).

Education Fund

For the members of the Health Unit, there is still money left in the Education Fund. A fillable application form is now available on the website under "Applications and Forms".

Monthly Unit Meetings

For the members of the Health Unit, please be reminded that the Unit Reps try to hold monthly meetings at their respective worksites. These meetings are held to share vital information from the Union, as well as to give the members an opportunity to bring forward any questions and/or concerns. We strongly encourage members to look out for these meeting notices and attend as frequently as possible.

IUOE Website

We would like to invite all members to access the International Website which can be found here: There are training opportunities for all members in good standing. Just use your membership number found on your IUOE Card.
