Concerning the Queens Region Unit Representative election, the vote tally revealed a tie for the fourth Unit Representative position. A recount will be held at the earliest opportunity. If a tie remains following the recount, the Union will resolve the tie by coin toss. We will keep you updated on the outcome and appreciate your patience as we finalize this process.

Thank you to everyone who participated in the election and supported the candidates. Your involvement is what makes our organization strong and vibrant.

Thank you, especially to our outgoing President Tracy Robertson. Tracy served many years as an Executive Board member before stepping into the role of President in 2019. She steered the union through difficult times, including the pandemic and the resulting challenges to our Health PEI members. Tracy, your dedication and service has been greatly appreciated.
